

Dianthus Sparkz®

"WOW your customers with the surprising diversity of Dianthus Sparkz®"

"Sparkz® come from the same genus as Standard Carnations and Spray Carnations.

The difference is that Carnations and Spray Carnations are *Dianthus caryophyllus* and within the Sparkz® are hybrids of *Dianthus* with a totally different look.

When versatility is key, Sparkz® offer you the most diverse variations imaginable – varieties that stand out with unique flower shapes, striking colors and endless possibilities to mix and match.
